**The Kansas City Chapter invites you
to be a KCIFMA Sponsor for
2009/2010**

Corporate sponsorship is an excellent way to support chapter activities and allows your company to gain visibility in front of a professional audience of 240+ members and the organizations they represent.

There are several sponsorship options and levels to choose from. Each sponsorship includes your choice of either membership or golf benefits, your company logo at meetings, in announcements, in the newsletter (look at the back of this newsletter!) and most importantly, on our website.

We are excited about the Chapter's activities planned for the next year and we would like for you to be a part of them! Watch for more information coming soon.

New RSVP Policy will begin with the February Program Meeting

Starting with the February Program Meeting, the new RSVP Policy will be in effect. This is how it will work:

- Reservations (Registrations/RSVPs) are due 48 business hours before the Program Meeting. I.e. for a typical Tuesday Program Meeting, RSVPs must be received by 11:30 a.m. the prior Friday.
- The on-line reservation system will not accept RSVP's after the deadline.
- Due to catering order requirements, if your registration is not received by the RSVP deadline, we will not be able to provide you with food or drink. We do, however, encourage you to attend. To do so, please pay the regular program fee at the door by cash or check.
- Again, due to catering order requirements, if you registered but do not attend, you will be billed/charged for the meeting.
- Reminder, if you are using a Pay Pack, you must still RSVP before the deadline to receive food and drink. If you do not RSVP, you may attend but no food and drink will be provided.

*Please check the website or invitation for when reservations are due for special events or parties.
